

How to Generate Your Password on Wealth Spectrum

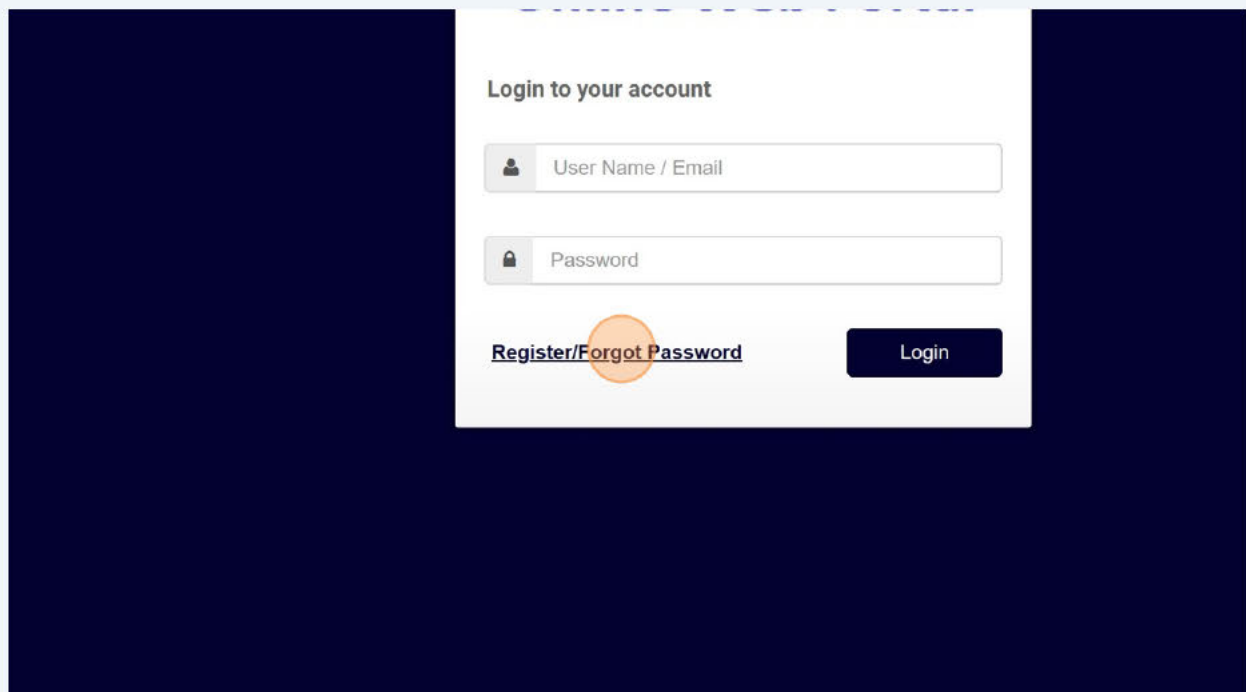

1

Navigate to

<https://eclientreporting.nuvamaassetservices.com/wealthspectrum/app/login>

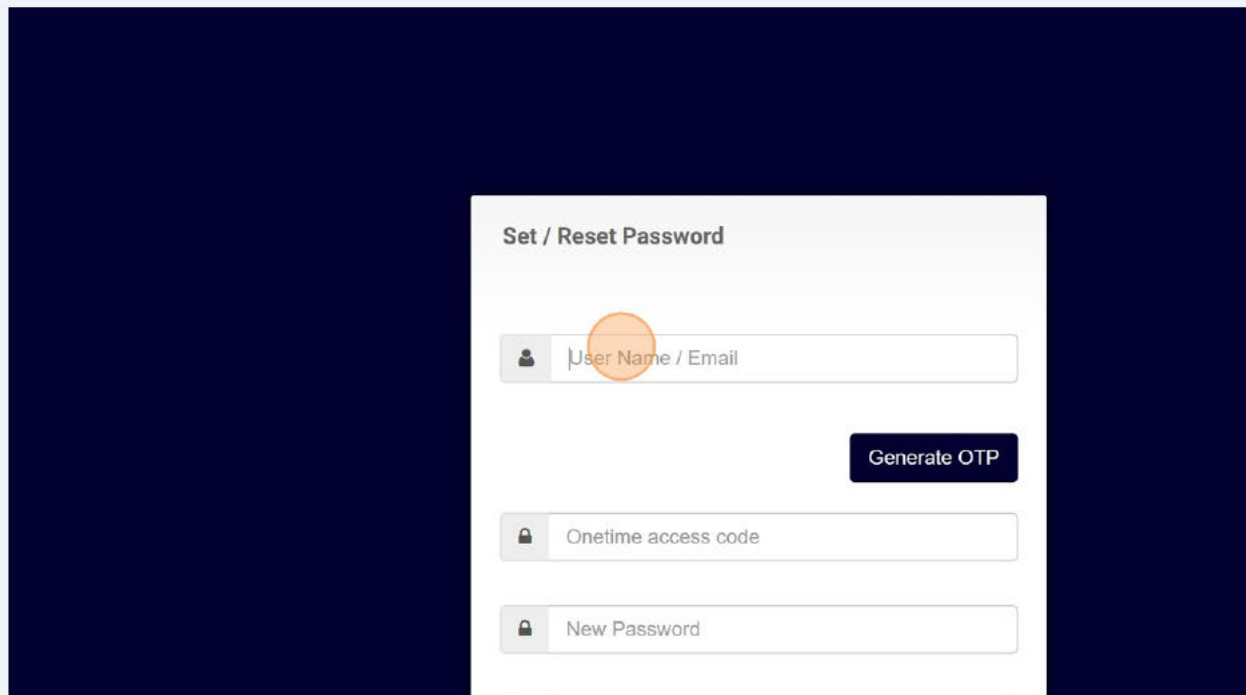

2

Click on "Register/Forgot Password"

The screenshot shows a login form titled "Login to your account" centered on a dark blue background. The form contains two input fields: "User Name / Email" with a person icon and "Password" with a lock icon. Below these fields, the text "Register/Forgot Password" is underlined and highlighted with an orange circle, and a dark blue "Login" button is to its right.

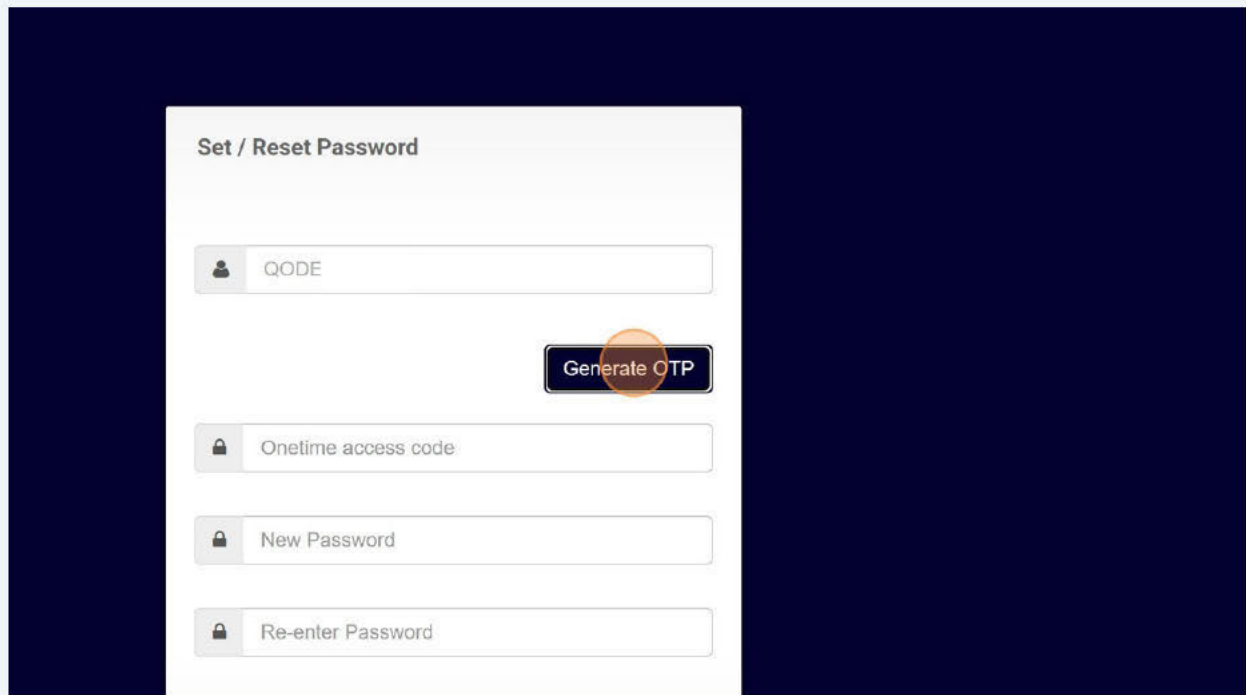

- 3 Click the "User Name / Email" field.

The screenshot shows a 'Set / Reset Password' form on a dark blue background. The form is white and contains three input fields and a button. The first input field is labeled 'User Name / Email' and has a person icon on the left. An orange circle highlights this field. Below it is a 'Generate OTP' button. The second input field is labeled 'Onetime access code' and has a lock icon on the left. The third input field is labeled 'New Password' and has a lock icon on the left.

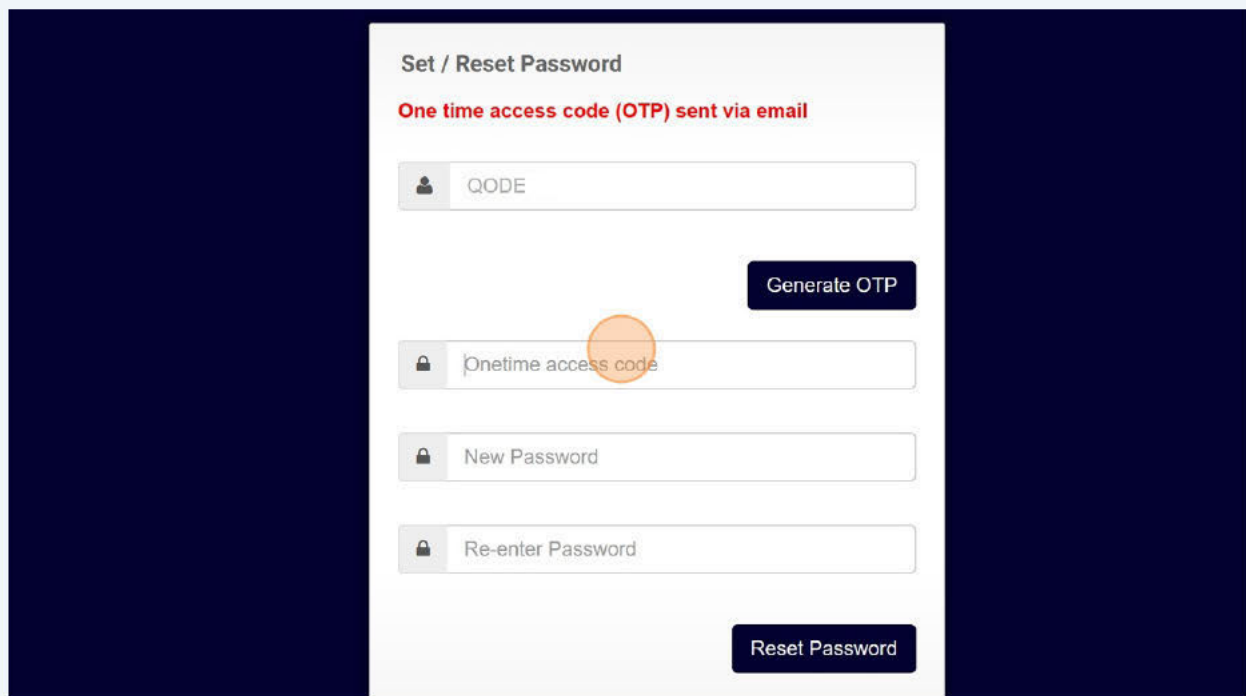

- 4 Please enter the username that was shared with you via email

5 Click on "Generate OTP"

The screenshot shows a 'Set / Reset Password' form on a dark blue background. The form is white and contains the following elements: a title 'Set / Reset Password', a user selection dropdown with a person icon and the text 'QCODE', a 'Generate OTP' button (highlighted with an orange circle), and three password input fields with lock icons and labels: 'Onetime access code', 'New Password', and 'Re-enter Password'.

6 Enter the OTP sent to your email in the 'One-Time Access Code' field

The screenshot shows the same 'Set / Reset Password' form, but with an additional red message: 'One time access code (OTP) sent via email'. The 'Generate OTP' button is now disabled. The 'One-time access code' input field is highlighted with an orange circle. A 'Reset Password' button has appeared at the bottom right of the form.

7

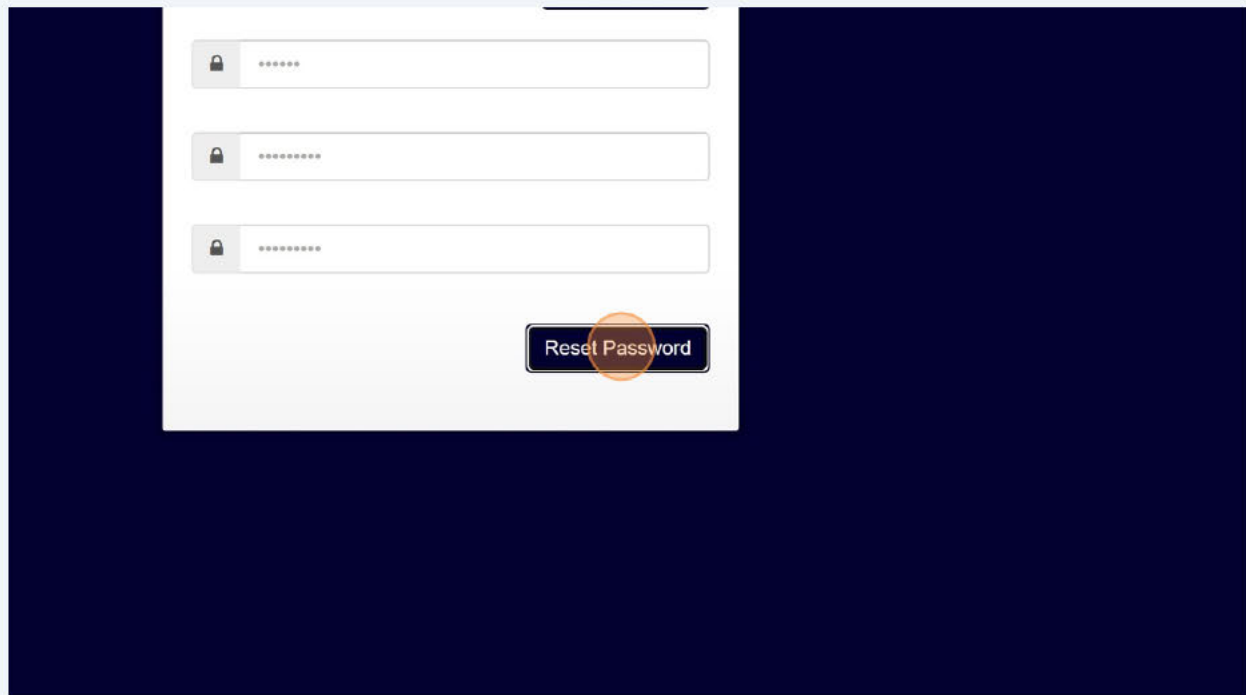

Enter your new password

One-time security code sent to your email

8

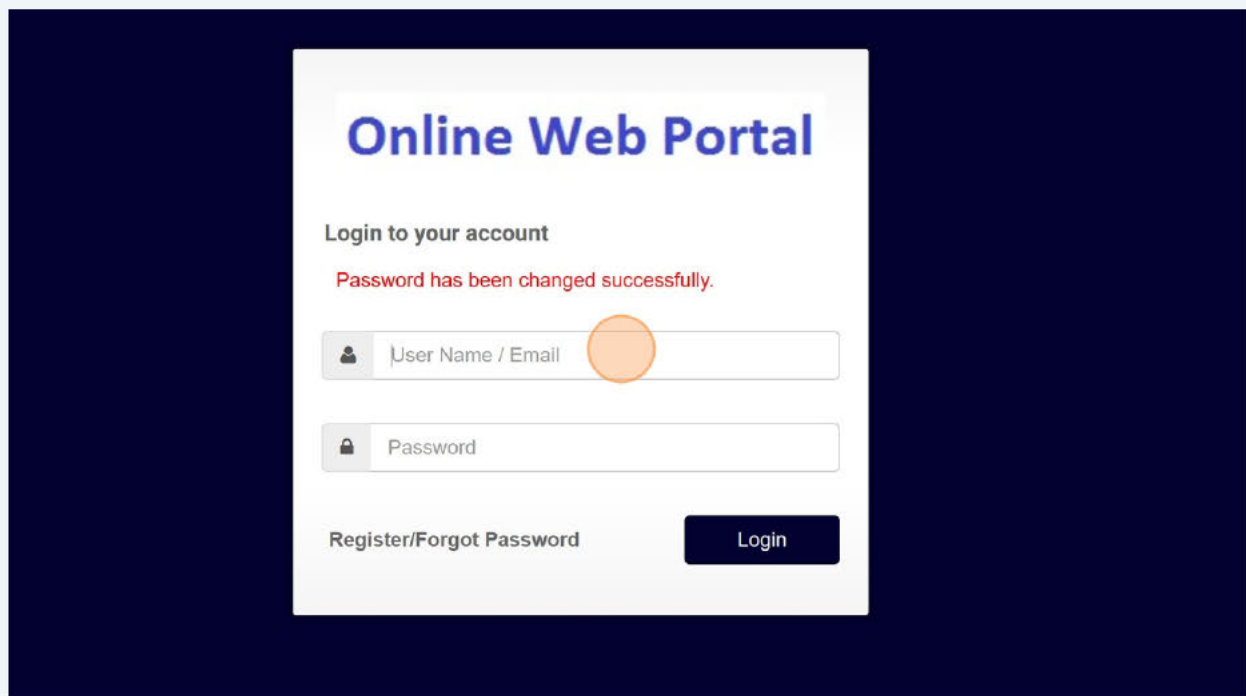

Re-enter the same password

9 Click on "Reset Password"

A screenshot of a password reset form. The form is white and centered on a dark blue background. It contains three password input fields, each with a lock icon on the left and a series of dots for the password. Below the fields is a dark blue button with the text "Reset Password" in white. An orange circle highlights the button.

10 Please enter the username that was shared with you via email

A screenshot of the "Online Web Portal" login page. The page has a dark blue background. In the center is a white login form. At the top of the form is the title "Online Web Portal" in blue. Below it is the text "Login to your account". A red message says "Password has been changed successfully.". There are two input fields: "User Name / Email" and "Password". The "User Name / Email" field has a lock icon on the left and is highlighted with an orange circle. Below the fields are two buttons: "Register/Forgot Password" and "Login".
